

**ACT I    SCENE 1**

*Adam's bedroom. There is a bed in the centre of the room. A desk to the right. A door to the left. The room is littered with various books about Adolf Hitler and Eva Braun.*

*ADAM DAVIS is sitting on the bed, reading a book about Adolf Hitler. EVELYN MILLER is seated at the desk, reading a book about Eva Braun. They are both engrossed in their books.*

**ADAM:**        There's so much to read about.

**EVELYN:**     It's like a gold mine.

**ADAM:**        I just can't get enough.

**EVELYN:**     Me neither.

**ADAM:**        I could go through the entire lot.

**EVELYN:**     Me too.

**ADAM:**        *(looks at EVELYN)* Was there ever a more stranger relationship than the one                    between Adolf Hitler and Eva Braun?

**EVELYN:**     *(looks at ADAM)* Strange, yet fascinating.

**ADAM:**        There has never been another relationship quite like theirs.

**EVELYN:**     It's one of a kind.

**ADAM:**        It's truly unique.

**EVELYN:**     *(sets book down)* Just imagine the things they could have done together                    during their time spent in that bunker.

**ADAM:**        *(sets book down)* All alone.

**EVELYN:**     Secluded.

**ADAM:**        A secret love.

**EVELYN:**     Followed by a secret marriage.

**ADAM:**        The imagination runs wild.

**EVELYN:**     It's getting me excited just thinking about it.

*ADAM and EVELYN give each other a look.*

**ADAM:** Are you thinking what I'm thinking?

**EVELYN:** *(grins)* Yes, I believe I am.

**ADAM:** My folks are out and won't be back until much later. We have the conservatory all to ourselves.

**EVELYN:** *(eagerly)* Go on.

**ADAM:** We could go and close ourselves off from the rest of the world, just like Adolf and Eva did during the final months of their lives.

**EVELYN:** *(excited)* It'll be our own bunker.

**ADAM:** Our own Führerbunker.

**EVELYN:** *(can hardly wait)* Oh, what will we do?

**ADAM:** Anything. We can relive their days however we want.

**EVELYN:** Who's going to know?

**ADAM:** Who's going to complain?

**EVELYN:** Who's going to care?

**ADAM:** Who's going to stop us?

**EVELYN:** No one, that's who.

**ADAM:** Exactly. No one at all.

**EVELYN:** We can walk in their footsteps while reworking them as we see fit.

**ADAM:** We'll rewrite their history to how we would have done it.

**EVELYN:** It'll be our version.

**ADAM:** Precisely. The power to change history is in our hands.

**EVELYN:** We will be the history makers.

**ADAM:** We will have freedom.

**EVELYN:** The likes of which no one else has ever known.

**ADAM:** And will never know about.

**EVELYN:** The memories will only be for us to share.

**ADAM:** It'll be something special just between us.

**EVELYN:** *(giddy)* Oh, how romantic.

**ADAM:** And how sexy.

**EVELYN:** We can get up to all sorts of things in there.

**ADAM:** Neither your parents or mine will be any the wiser.

**EVELYN:** Nor our history teachers.

**ADAM:** It'll be impossible for us to get into trouble.

**EVELYN:** We'll be exempt. *(grins)* It's so naughty.

**ADAM:** Yet so right.

**EVELYN:** Why did we never think of this sooner?

**ADAM:** All the time we wasted not doing this.

**EVELYN:** It's a crime.

**ADAM:** Unspeakable.

**EVELYN:** Unthinkable.

**ADAM:** Unforgivable.

**EVELYN:** Unquestionable.

**ADAM:** We can atone.

**EVELYN:** Make up for what we've been missing.

*ADAM is silent as a strange feeling comes over him.*

**ADAM:** Do you feel it?

**EVELYN:** *(curiously)* What is it?

**ADAM:** A feeling has overcome me.

**EVELYN:** What kind of a feeling?

**ADAM:** It's hard to explain.

**EVELYN:** Why is that so?

**ADAM:** Because it just is.

**EVELYN:** Give it a try.

**ADAM:** I'll do my best.

**EVELYN:** Please do. I want to know.

**ADAM:** And I want you to know.

*ADAM pauses. He tries to find the best word to describe the feeling that's overcome him.*

**ADAM:** It feels...

**EVELYN:** *(leans forward)* Yes?

**ADAM:** It feels like...

**EVELYN:** *(compelled to know)* Like what?

**ADAM:** It feels like destiny.

**EVELYN:** Destiny?

**ADAM:** Yes. Destiny.

*EVELYN thinks about it. She experiences the feeling too.*

**EVELYN:** I know what you mean. I feel it too.

**ADAM:** I understand why we're feeling this way.

**EVELYN:** I do too.

**ADAM:** We were destined to do this.

**EVELYN:** It's so obvious. Fate has chosen us.

**ADAM:** And only us.

**EVELYN:** How lucky we are.

**ADAM:** It's a proud day.

**EVELYN:** A cause for celebration.

**ADAM:** A big celebration.

**EVELYN:** The biggest imaginable.

**ADAM:** Our first names.

**EVELYN:** They are almost kindred to theirs.

**ADAM:** Adam.

**EVELYN:** Evelyn.

**ADAM:** Adolf.

**EVELYN:** Eva.

**ADAM:** They live on.

**EVELYN:** They are reborn.

**ADAM:** Through us.

**EVELYN:** We are their vessels.

**ADAM:** We contain their spirits.

**EVELYN:** I'm so happy.

**ADAM:** Me too.

**EVELYN:** I think this could very well be the happiest day of our lives.

**ADAM:** It is. Second only to when we first met.

**EVELYN:** Oh yes.

**ADAM:** This day could never have existed for either of us had we not met.

**EVELYN:** So true. (*shivers*) It's scary to think how things could have been so different had fate decided not to bring us together.

**ADAM:** (*distraught*) We would have been so alone.

**EVELYN:** So abandoned

**ADAM:** So misunderstood.

**EVELYN:** Outcasts.

**ADAM:** Outsiders.

**EVELYN:** With no purpose.

**ADAM:** Lost in life.

**EVELYN:** But thankfully, we found each other.

**ADAM:** That's how we must always look at it.

**EVELYN:** What we have, we must always be grateful for.

**ADAM:** It's something that could never be traded for anything in the world.

**EVELYN:** It's precious.

**ADAM:** More so than gold.

**EVELYN:** Gold is no different from shit when compared to our relationship.

**ADAM:** I couldn't agree more.

**EVELYN:** We're original.

**ADAM:** Just like they were.

**EVELYN:** Maybe even more so.

**ADAM:** Good point.

**EVELYN:** They never thought like we did.

**ADAM:** They thought like they did.

**EVELYN:** We are still ourselves.

**ADAM:** Just like they were themselves.

**EVELYN:** We won't be carbon copies of them.

**ADAM:** Oh, no we won't.

**EVELYN:** We could never live up to their legendary names.

**ADAM:** It would be impossible to even try to be exactly like them.

**EVELYN:** Instead, we will honour them.

**ADAM:** Yes, we will become the Adolf and Eva of our generation.

**EVELYN:** How glorious that will be.

**ADAM:** Truly.

*ADAM and EVELYN can't wait any longer, the excitement is killing them.*

**ADAM:** What are we waiting for?

**EVELYN:** I have no idea.

**ADAM:** Time is always fleeting.

**EVELYN:** We have to make the most of it.

**ADAM:** Just like Adolf and Eva did.

**EVELYN:** Live for the moment.

**ADAM:** We can't let it go to waste.

**EVELYN:** Every second counts.

**ADAM:** So let's start now.

*ADAM gets off the bed. EVELYN gets up from the desk.*

**EVELYN:** Lead the way.

**ADAM:** With pleasure.

**EVELYN:** And what a pleasure it will be.

**ADAM:** A pleasure, for both of us.

**EVELYN:** Indescribable.

**ADAM:** Extraordinary.

**EVELYN:** Outstanding.

**ADAM:** Exceptional.

*EVELYN loses her patience. She wants to go to the conservatory right now.*

**EVELYN:** Come on. *(moves ADAM along)* Get moving.

**ADAM:** I'm going. I'm going.

*ADAM and EVELYN both laugh.*

**ADAM:** Follow me.

**EVELYN:** Gladly.

*Exit ADAM with EVELYN.*

*Curtain.*
